

Who are Home Energy Scotland

Home Energy Scotland

What services does HES offer

- Saving energy and keeping warm at home:** We provide practical advice to improve energy efficiency in your living space.
- Funding options:** We are the only place to get Scottish Government grants and interest-free loans to support your energy-efficient journey.
- Renewable energy installations:** Our experts will guide you through renewable energy solutions and installations in your home.
- Greener travel:** We'll help you embrace sustainable travel options, like walking, wheeling, and cycling, plus electric vehicles and e-Bikes.
- Water waste reduction:** We'll help you reduce water waste to save you money and adopt a more sustainable lifestyle.

Warmer Homes Scotland

- £10,000 or more funding available if you qualify
- Offers assistance to homeowners and private tenants struggling to heat homes
- Warmworks once you have spoken to HES and been referred will visit to complete an assessment
- Improvements will be offered once assessment has been completed
